2. Let your personality shine. Newsletters feel inherently more personal — like a personal letter. Don't waste that unique ambience by sticking to impersonal corporate speak.. A brilliant example is CB Insights, which sells expensive business intelligence to corporate venture capitalists and other senior business leaders. You would expect straight-laced content, but it's far from that.

Many of us have worked with them: the engineering jerk who is brilliant at what they do, but treats others like trash. Some companies have a policy not to hire them (eg, Netflix's "No Brilliant Jerks", which was one of the many reasons I joined the company). There's also the "No Asshole Rule", popularized by a bestselling book of this title, which provides the following test:

### **Brilliant Jerks in Engineering - Brendan Gregg**

As we mentioned above, highly creative and emotional campaigns are playing a deterrent role in Nike's digital marketing strategy. We have chosen 5 of the brilliant digital marketing campaigns of Nike from the latest years to show you how the brand attained success:
