The Most Important Decision of Your Life You Make Every Day

The journey of the entrepreneur is to figure out what matters. We know that starting a company requires extreme focus and prioritization.. But figuring that out is no easy matter because of the jumble of possibilities and complexities of running a business, on top of the cottage industry of abundant, contradictory, and just plain bad business advice.

The Only Thing that Matters - I Done This Blog

A disruptive innovation, by definition, starts from one of those two footholds. But Uber did not originate in either one. It is difficult to claim that the company found a low-end opportunity ...

What Is Disruptive Innovation? - hbr.org

When Warren Buffett was asked about the secret to his wealth and success, he revealed that he read every day—500 pages, to be precise. Unfortunately, if you're already working 9-5, you might not have the time to read at all, let alone an entire book a day. But what if you could get the benefits ...

Culture Change: How To Improve Your Workplace Culture. When a bunch of people get together, everything changes. Different rules apply. I've posted about navigating office politics. Now what is all this talk about company culture?

Culture Change: How To Improve Your Workplace Culture ...

One of the most important lessons I've learned from reading books, interviewing smart people, and having conversations with my mentors is that questions are more important than answers. But that goes against everything you learn in school where you're rewarded for the quality of your answers.. However, that's not what you should judge a person on.

The 21 Most Important Questions Of Your Life - Darius ...

During the first post on this series (), I argued that demonstrating ROI for Integrity is a key leadership challenge at all levels. If you are an individual contributor or a leader in any organization, you justifiably ask, "Does integrity make a difference or is a lack of integrity simply the cost of doing business today?"

Key Elements of Integrity - University of North Carolina ...

"When your life is over, everything you did will be represented by a single dash between two dates—what will that dash mean for the people you have known and loved?" (Linda Ellis) We don't choose a lot of things about our life - parents, birthplace, etc. - but we can choose what that dash between those two dates means.

15 Books About Positive-Thinking You Need for a Happy Life
