Rated 1 out of 5 by cfstark from DON'T WASTE YOUR TIME AND MONEY Something told me not to throw out the box when this oven came. I had read the reviews and hoped I would get lucky like some people that have bought it and get one that worked. No such luck. I got one with dents and a bent tray, and the oven would not reach temperature after hours of patient trying.

Traditional pop (also classic pop or pop standards) music consists of Western popular music that generally pre-dates the advent of rock and roll in the mid-1950s. The most popular and enduring songs from this style of music are known as pop standards or American standards. The works of these songwriters and composers are usually considered part of the canon known as the "Great American Songbook".
