John F. Kennedy had long been interested in the topic of political courage, beginning with his senior thesis at Harvard. The thesis, later published as *Why England Slept*, was a study of the failure of British political leaders in the 1930s to oppose popular resistance to rearming, leaving the country ill-prepared for World War II. Kennedy's election to the House in 1946 and the Senate in ...

"Hi, I'm Jimmy Carter, and I'm going to be your next President." These were the first words many Americans ever heard from Jimmy Carter. A one-term governor from the Deep South with no Washington experience, professional political observers dismissed his candidacy as the longest of long shots. But the born-again Christian and peanut farmer from Plains, Georgia knew something the experts didn't.
