This course will focus on neural, muscular, vascular and skeletal systems within the upper and lower extremities of the human body. Lectures will consider the contribution and integration of each system to the function of that extremity.

Doctor of Chiropractic Curriculum - Become a Chiropractor

What is a References list? A references list is a formatted list of all sources you cited within your paper. Any time you quote, paraphrase, summarize, or include information that you've read from an outside source, you must include that source in your references list, correctly formatted in APA style.

Formatting Your References List | Ashford Writing Center
