

Sap Hr Ecm Management System Configuration Guide

Sap Hr Ecm Management System

The top 5 reasons SAP and ECM are a winning combination. This is where enterprise content management (ECM) comes into play. The right ECM system can manage and maintain the documents and information residing outside of SAP, presenting them to users within their familiar SAP screens. This improves user satisfaction and eliminates searching for needed information in disparate systems or physical files.

The top 5 reasons SAP and ECM are a winning combination
