### **Skeletons Out Of The Closet**

The phrase 'a skeleton in the closet' was coined in England in the 19th century. Since then the word 'closet' has become used primarily in England to mean 'water closet', that is, lavatory - a possible hiding place for a skeleton I suppose, but not one with much potential.

### **'A skeleton in the closet' - the meaning and origin of this phrase**

Skeleton in the closet or skeleton in the cupboard is a colloquial phrase and idiom used to describe an undisclosed fact about someone which, if revealed, would damage perceptions of the person; It evokes the idea of someone having had a (presumably human) corpse concealed in their home so long that it had decomposed but for its bones.
