When you need a little help settling a dispute, mediation can be a sure fire way to avoid court proceedings. Bringing another party to court is expensive, time consuming and stressful. By using a mediator, both parties will be given a neutral ear and the benefit of a private, confidential means of coming to an agreement.

Video art is an art form which relies on using video technology as a visual and audio medium. Video art emerged during the late 1960s as new consumer video technology such as video tape recorders became available outside corporate broadcasting. Video art can take many forms: recordings that are broadcast; installations viewed in galleries or museums; works streamed online, distributed as video ...
