### **The Black Book Of Horror**

Horror comics are comic books, graphic novels, black-and-white comics magazines, and manga focusing on horror fiction. In the US market, horror comic books reached a peak in the late 1940s through the mid-1950s, when concern over content and the imposition of the self-censorship Comics Code Authority contributed to the demise of many titles and the toning down of others.

Are there really people who avoid black & white films for no other reason than the lack of color? We sure hope not. When Frank Darabont wanted to release his film *The Mist* in black & white, studios wouldn't even discuss it. Darabont also petitioned AMC to run *The Walking Dead* without color. Not only did they refuse, but years later, AMC showed every season in black & white as if it was some ...
