The Disappearance of Childhood Archives - Recognizing Christ

In The Disappearance of Childhood, Neil Postman makes the argument that childhood is disappearing and at the heart of it's disappearance is technology. While technology adds a lot to our lives and in some ways makes our lives better, it comes at a price. The book is split into two parts. The first part discusses where the idea of childhood came from.

Reading: The Disappearance of Childhood by Neil Postman - The Reader

In Neil Postman In The Disappearance of Childhood (1982), Postman claimed that childhood is essentially a social artifact. Its origin was closely linked to the printing press and the growth of literacy, which made possible the segregation of groups into children and adults. Television, however, tends to eliminate the...
