

The International Silver Trade

The International Silver Trade

International Trade Bullion (ITB) is a premium line of precious metals bullion products produced at a private refinery in the Southwestern United States. The product line currently includes 1 Troy ounce (31.1 gram) Silver Rounds ("rounds" are "coins" without government-backed legal tender status) and 10 Troy ounce (311 gram) Silver Bars.

International Trade Bullion - ITB Silver Bullion

Silver International Trade Unit Rounds. There are a number of beautiful rounds which have differing designs on the front but on the back have a familiar "International Trade Unit" Backing. Below are images and descriptions of those we are aware of: 1 OZ .999 Fine Silver Flying Eagle International Universal Trade Unit Round 1 OZ .999 Fine Silver...

Silver International Trade Unit Rounds | The Mint

Thomas Mohide, one of the world's acknowledged silver authorities has produced a panoramic study of this remarkable commodity. It provides in-depth analysis of the outlook in all demand sectors, the future availability from mines and recovered from scrap, the changing structure of the industry and the anticipated supply and demand brackets.

Global silver trade from the 16th to 18th centuries. Spaniards traveling west during the Age of Exploration discovered vast amounts of silver, much of which was from the Potosí silver mines, to fuel their trade economy. Potosí's deposits were rich and Spanish American silver mines were the world's cheapest sources of it.

Global silver trade from the 16th to 18th centuries ...

The 1 oz. Silver International Trade Bullion Round contains 1 Troy ounce of .999 fine silver. Distinct in design, the round incorporates an abstract pattern with stylish lettering which clearly denotes the weight and grade of the silver.

1 oz Pure Silver International Trade Bar Round

What is interesting to me is that it has no date on it. Anyone have information on these "Universal Trade Unit" coins from "The International"? Says its 311 Grams at 480 Grains. One troy ounce fine silver.

1oz Silver Coin - Universal Trade Unit - History? | Coin Talk

I have a international silver trade unit can some one tell me how much its worth? on one side it has a weighing scale and it says .999 FINE, one troy ounce, 31.1 grams, and THE INTERNATIONAL SILVER TRADE UNIT. and on the other side it has an eagle and the liberty bell, it says AMERICA AMERICA, ONE OUNCE .999 FINE SILVER. so how much is it worth?

I have a international silver trade unit can some one tell ...

The International Silver Company was sold in 1984 to Katy Industries Inc. changing its name to Wallace International Silversmiths, Wallingford, Connecticut. This firm markets International Sterling flatware and silverplated flatware under various trademarks (e.g. 1847 Rogers Bros, International Deepsilver,).

International Silver Company: history and marks
